Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: WQCF Alternative Energy Development -- Solar Project

Lead Agency: City of Manteca

Contact Name: Bret Swain

Email: bswain@ci.manteca.ca.us Phone Number: 209-456-8418

Project Location: Manteca (*City*) San Joaquin County (*County*)

Project Decription (Proposed actions, location, and/or consequences).

The City of Manteca is seeking environmental approval for a 2.5 to 3-megawatt (MW) solar photovoltaic (PV) array at the existing City of Manteca WQCF. This program was not included in the original WQCF Master Plan Update, and were therefore not analyzed within the associated WQCF Masters Plans EIR (EDAW, 2007). The solar PV array would be located to the south of the existing City of Manteca WQCF and would encompass approximately 11.9 acres. There will also be some electrical conduits either at or below grade. A berm would be located along the southern boundary of the solar PV array. Additionally, a temporary construction laydown area and storage area (of approximately 3.9 acres) would be on the eastern side of the City of Manteca WQCF and to the north of the solar PV array. Dirt access roads to and from existing roadways would also be allowed.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Aesthetics: Mitigation Measure AES-1
Agricultural and Forestry Resources: Mitigation Measure AG-1
Biological Resources: Mitigation Measure BIO-1
Cultural Resources: Mitigation Measure CLT-1
Noise: Mitigation Measure NOISE-1

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Biological Resources

Provide a list of the responsible or trustee agencies for the project.

- Central Valley Regional Water Quality Control Board (CVRWQCB)
- San Joaquin Valley Air Pollution Control District (SJVAPCD)
- San Joaquin Council of Governments (SJCOG)
