Project Title: Wimer Road Bridge (29C-303) Replacement Project over North Branch Indian Creek

Project Applicant: San Joaquin County Department of Public Works

Project Location (include county): near the eastern edge of San Joaquin County, Wimer Road over Indian Creek

Project Description:

San Joaquin County (County) Department of Public Works proposes to replace the existing bridge on Wimer Road over the north branch of Indian Creek located near the eastern edge of San Joaquin County at a curve on the road approximately 700 feet southwest of the county line and 2,000 feet northwest of Shelton Road. The replacement bridge will be a single span cast-in-place post tensioned concrete slab supported on seat type abutments with pile foundations. The proposed project would replace the 90-degree small radius curve with a larger radius curve which meets standards, with a maximum offset of approximately 35 feet.

This is to advise that the San Joaquin County Department of Public Works has approved the above (X) Lead Agency or () Responsible Agency)

described project on May 14, 2019 and has made the following determinations regarding the above described project.

- 1. The project [] will [X] will not] have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [X] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X] were [] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X] was [] was not] adopted for this project.
5. A statement of Overriding Considerations [] was [X] was not] adopted for this project.
6. Findings [X] were [] were not] made pursuant to the provisions of CEQA.

This is to certify that the final IS/MND with comments, responses, and record of project approval is available for the general public at:

San Joaquin County Department of Public Works Headquarters, 1810 E Hazelton Ave, Stockton, CA 95205
