Project Description: (please use a separate page if necessary)

The proposed project includes adoption and implementation of the Integrated Water Resources Master Plan, which includes the improvement projects summarized in the proposed Water System Master Plan, Wastewater System Master Plan, and Recycled Water System Master Plan. Table 1 of the Initial Study summarizes all the identified capacity improvement projects and their estimated planning level opinion of probable costs (Water System Master Plan). Table 2 of the Initial Study summarizes all the identified collection system improvement projects, including location, proposed improvements, estimated planning level costs, and alternatives (Wastewater System Master Plan).
