Present Land Use/Zoning/General Plan Designation:

Los Angeles Trade-Technical Community College/

Project Description: (please use a separate page if necessary)

In early 2019 a Master Plan was completed for the Trade Tech campus. The fate of two buildings (Grand Theater and Redwood Hall) was undetermined at that time. LACCD has determined that reuse of these buildings is infeasible and demolition and subsequent replacement is now proposed. The Grand Theater was constructed in 1924 and Redwood Hall in 1936. Both buildings are substantially deteriorated but are considered historic for purposes of CEQA. The Grand Theater is 29,976 square feet and Redwood Hall is 35,728 square feet. It is anticipated that these areas would be replaced somewhere on campus, although not necessarily in the same location as the buildings to be demolished.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
