commitments. Caltrans Environmental must be notified of any changes in project scope or footprint.							
CALTRANS CEQA DETERMINATION (Check one)							
Not Applicable – Caltrans is not the CEQA Lead Agency Not Applicable – Caltrans has prepared an Initial Study or Environmental Impact Report under CEQA Record on an examination of this proposal, supporting information, and the above statements, the project is:							
Based on an examination of this proposal, supporting information, and the above statements, the project is:							
Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.)							
Categorically Exempt. Class 1. (PRC 21084; 14 CCR 15300 et seq.) Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply:							
 If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law. 							
 There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, over time. 							
 There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual circumstances. 							
 This project does not damage a scenic resource within an officially designated state scenic highway. This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List"). This project does not cause a substantial adverse change in the significance of a historical resource.
