**Project Title:** California School for the Deaf Riverside Building P Roof Replacement

**Project Location – Specific:** 3044 Horace Street

**Project Location – City:** Riverside

**Project Location – County:** Riverside

**Description of Nature, Purpose, and Beneficiaries of Project:**

The proposed project will include the removal of existing ballasted built-up roofing and the installation of new single-ply roofing and roof insulation for Building P, the attached Wing 300, and Wing 400 which is not directly attached to Building P. Mechanical and Electrical work on the roof will be done including HVAC lifting and the replacement of existing units with new units as well as the removal and replacement of sheet metal gutters and selective spot repair of existing sheet metal fascia. Project will also include the demolition of existing building addition, Room 310, and the façade restoration to the pre-addition configuration. Several individual exterior windows and fascia of Building P, Wings T and U will be replaced as well. A roof survey revealed that the 20-year-old roofs are in poor condition and so the proposed project will improve safety standards.

**Name of Public Agency Approving Project:**

California Department of Education – School for the Deaf, Riverside

**Name of Person or Agency Carrying Out Project:**

Steven Reader, Project Director I, DGS-RES-PMDB 916-375-4379

**Exempt Status:**

☒ Categorical Exemption., Class: 1a Section: 15301

**Reason Why Project Is Exempt:**

This exemption allows for the operation, repair, maintenance or minor alteration of existing public structures and facilities including restoration or rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment to meet current standards of public health and safety, that involve negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The State confirms that no exceptions apply which would preclude the use of an exemption for this project.
