SUBJECT: Soto Street Roadway Widening Project from Multnomah Street to Mission Road
Final Initial Study / Mitigated Negative Declaration and Consideration of Project
Approval by the City of Los Angeles

The City of Los Angeles (City), has prepared the *Final Initial Study / Mitigated Negative Declaration (IS/MND)*, for the proposed Soto Street Roadway Widening Project from Multnomah Street to Mission Road (Project). The Final IS/MND includes comments received on the *Draft IS/MND* during the public review period from July 5, 2018 to August 6, 2018. Specifically, Chapter 8 *Response to Comments* of the Final IS/MND includes all comments received via mail and email, along with the City's responses to these comments. Please refer to the Table of Contents in the Final IS/MND for the organization of the responses to comments.

The *Project Final IS/MND* and *Mitigation Monitoring and Reporting Plan* as well as all applicable Appendices and related documents for the proposed Project can be downloaded from the Department of Public Works Bureau of Engineering's (BOE) website: <https://eng.lacity.org/soto-project>.

A copy of the complete report is also available for review:

- By appointment, at BOE at 1149 S. Broadway, Suite 600, Los Angeles, CA 90015. Please contact Jacquelyn Salazar at jacquelyn.salazar@lacity.org or (213) 485-5730 to make an appointment.

Certification of the Final IS/MND and approval of the proposed Project requires review from the City's Board of Public Works and action by City Council. The Board of Public Works recommendation for approval and City Council consideration of certification of the Final IS/MND will be held at future meetings that have yet not been scheduled.

The official schedule and meeting agendas for the Board of Public Works and City Council and applicable Council Committees are available at the respective City websites:
