Project Applicant: Nevada Irrigation District, 1036 West Main Street, Grass Valley, CA 95945

Project Location (include county): Greenhorn Arm of Rollins Reservoir, Nevada County

Ultimately, NID would like to restore historic water storage capacity in Rollins Reservoir, returning the Project Site to pre-1965 conditions (following construction of Rollins Reservoir). However, with the extent of sediment build-up and the annual migration of aggregate to the Greenhorn Arm of Rollins Reservoir, it is unlikely that NID will be able to fully restore historic water storage capacity.
